Will You Join Our Parade?

It would seem from the photographic record that April 3, 1915, was a chilly and rainy day. But that apparently didn't stop the hundreds of Masons who lined up as far as the camera could see to parade down Detroit Avenue to celebrate the ground being broken as construction started on our Lakewood Masonic Temple.

Nine decades later, we are thankful for a growing parade of donors who are helping The Lakewood Masonic Foundation and The Lakewood Masonic

Temple Company restore our historic home to its as-built appearance while incorporating appropriate 21st century preservation and energy-saving technologies.

Photographs such as this one remind us that weather—particularly water—is a persistent enemy of man-made structures. Older buildings are particularly susceptible to the damaging effects of water ingress as windows age and mortar joints deteriorate. In fact, water is the number one cause of damage to historic structures such as ours.

Thanks to the continuing generosity of our donors, our ongoing campaign for funds to replace our Lodge Room balcony level windows is nearing completion. We are driving hard toward the finish line so that this vitally needed project can be completed this year.

The windows in question have deteriorated to the point where water is seeping into our building and damaging the surrounding plaster. Especially distressing is the related damage to the decorative painting in our Lodge Room.

Vital historic preservation projects such as these are made possible in large measure by gifts to The Lakewood Masonic Foundation and/or The Lakewood Masonic Temple Company. Donors desiring preferred federal tax treatment will want to donate to our Foundation. Gifts to our Temple Company are also greatly appreciated but are not deductible for federal income or estate tax purposes. You may make your contribution by using the form on page 11.

Will you join our parade?

Help Us Stimulate the Economy

As this edition of *The Foundation Light* was in the final stages of editing, the President signed the Economic Stimulus Act of 2008. The centerpiece of this legislation is the government's issuance of rebate checks to most Americans.

Most taxpayers will receive a rebate check whose amount will vary from \$300 to \$600 per person (\$600 to \$1,200 per couple) depending on their 2007 tax liability and earned income level.

The government's fondest hope, of course is that rebate recipients will immediately spend the funds they receive.

The Lakewood Masonic Foundation is prepared to promptly pump your rebate back into the economy by funding pressing historic preservation projects for our Lakewood Masonic Temple. Our most critical needs are to replace the windows on the Lodge Room balcony level and to finish repointing our exterior masonry.

You can help us and help the economy by donating some or all of your rebate to The Lakewood Masonic Foundation. Your gifts to The Lakewood Masonic Foundation are deductible for federal tax purposes to the extent permitted by law. As always, you are encouraged to consult with your legal and tax advisors.

Your gifts to The Lakewood Masonic Foundation are a tangible way to show your love for our Lakewood Masonic Family and for our historic home. Rest assured that all gifts, other than a small percentage spent for printing and mailing, are used for our stated purposes of historic preservation, charity and education.

A Focal Point in Our Community

Those familiar with our Lakewood Masonic Temple know that we have welcomed Lakewood and West Shore community members and organizations into our historic home for many decades.

We have recently received even more attention as a result of an addition and major renovations to the nearby Lakewood Public Library. The City of Lakewood is eager to make our section of Detroit Avenue a community focal point and has been working with developers to replace the strip mall just to the west of our Temple.

As a part of this focus, a new Light Up Lakewood festival was held in late November as a lead-in to the holiday season. Santa arrived at the Lakewood Hospital and led hundreds of children and family members down the center of Detroit Avenue to a program of special entertainment on the steps of the new library. We opened our Ballroom to visitors on this important evening.

The new year started in high style as Lakewood's newly elected mayor and city council members were inaugurated in our Ballroom in early January. The event attracted a United States Senator and a standing room crowd.

Your gifts to The Lakewood Masonic Foundation help us to maintain our historic home for the benefit of our Lakewood Masonic Family and as a venue for community events that help us share the light of Freemasonry with our friends and neighbors.

Master's Message

Dinner and a Lodge meeting only \$5.00! You must be kidding. Dinner and a Lodge meeting?? Yep. Every stated meeting through June 2008 we will have dinner followed by the regular stated meeting. What entertainment! Enjoy the fellowship of your brethren on a full stomach. All you have to do is show up. And we might even have more surprises in store. The meals are good and the fellowship of Masonry is even better.

Brethren, where can you go in any town in this fair land and when you walk in the Lodge room you are welcomed like an old friend come home? Brotherly love and charity are the best teachings in Freemasonry, and when you walk in the door of the Lodge room in a strange city you are no longer a stranger but a Brother. The recent Grand Masters Bicentennial Celebration Dinner on January 18th was a perfect example of this. I had been away from Masonry for some years while my son was growing up. But when I entered that room I saw familiar face after face of old friends and good times. We shook hands and reminisced; we laughed and renewed our relationships. That is what Masonry is all about.

And last year as well, I was just as apprehensive about coming back to Lodge. Would the guys remember me, could I remember the work and the signs and ceremonies? Well, I was welcomed with open arms; everyone helped me to remember the work; and nobody laughed at me.

So there you are Brethren, it's as easy as that. A \$5.00 dinner and a Lodge meeting. But please give me a call to let me know you are coming, and we will set a special place for you.

Stated Meetings Second & Fourth Mondays 7:30 p.m. • Special Meeting Third Monday

Master's Message

Hello! This is my first "official" newsletter since returning to the East in November. Our Christmas Party was a big success. We had a joint event with Clifton-Allen Lodge, and there were a total of 158 in attendance. They all had a great time, and we hope it will be larger next December.

By the time you read this, one new candidate will have been initiated with at least a second following him and a third on the way. It is always the one thing you can never plan for, but we are hoping that the young men continue to be interested in our Lodge and will encourage their friends to join as well.

Our Inspection will take place on April 14, and will be in the E.A. degree. We'll more than likely be opening at 7:00p that night, so take notice of the time. Hope that many of you will come out and support the officers in their work. April 21 we're planning a night to honor the past masters of the Lodge, and April 28 there will probably be some degree work to move our candidates along. May will be a short month because of Memorial Day (no meeting May 26). May 12 we'll have a business meeting, and May 19 the DeMolays will be visiting to portray one of their degrees. June 9 will be a business meeting, June 16 our Annual Awards Night and June 23 the last meeting before the summer break.

Don't forget Saturday May 17 is the reconsecration of Lakewood Lodge to mark our 100th Anniversary. I hope most of you plan to be in attendance that afternoon. A flier will be sent out once the time of the event is confirmed. As the year progresses Brother Robert Phinney is doing a series of talks about the Lodge, and we'll have some discussion at all our meetings.

Hope to see you in Lodge during this special year. We'd like to hear from our out-of-town members when they have the chance. It would be nice to have some communication, and we'd be happy to share your remarks and memories with the other brethren in future newsletters. In the meantime, best wishes and please stay in touch.

Iron Tools

The lectures teach us that at the building of King Solomon's Temple there was not heard the sound of ax, hammer, or other metallic tool. But all the stones were hewn, squared, and numbered in the quarries; and the timbers felled and prepared in the forest of Lebanon, whence they were brought on floats by sea to Joppa, and thence carried by land to Jerusalem, where, on being put up, each part was found to fit with such exact nicety that the whole, when completed, seemed rather the handiwork of the Grand Architect of the Universe than of mere human hands. This can hardly be called a legend, because the same facts are substantially related in the First Book of Kings; but the circumstance has been appropriated in Freemasonry to symbolize the entire peace and harmony which should prevail among Freemasons when laboring on that spiritual temple of which the Solomonic Temple was the arche-type.

Foreign Country

A certain Degree lecture begins by declaring that the recipient was induced to seek that sublime Degree "that he might perfect himself in Masonry, so as to travel into *foreign countries*, and work and receive wages as a Master Mason." Thousands have often heard this expression in connection with a Master's Lodge, without dreaming for a moment of its hidden and spiritual meaning, or, if they think of any meaning at all, they content themselves by interpreting it as referring to the actual travels of the Freemasons, after the completion of the Temple, into the surrounding countries in search of employment, whose wages were to be the gold and silver which they could earn by the exercise of their skill in the operative art.

But the true symbolic meaning of the *foreign country* into which the Master Mason travels in search of wages is far different. The symbolism of this life terminates with the Master's Degree. The completion of that degree is the lesson of death and the resurrection to a future life, where the True Word, or Divine Truth, not given in this, is to be received as the reward of a life worthily spent in its search. Heaven, the future life, the higher state of existence after death, is the *foreign country* in which the Master Mason is to enter, and there he is to receive his wages in the reception of that Truth which can be imparted only in that better land.

Cunningham Chapter #187 R. A. M.

Stated Meeting Fourth Wednesday 7:30 p.m.

Scribe's Message

Companions:

On January 23 we were treated to a pasta dinner sponsored by our DDGHPs Jeff Addis and Bob Childers and served by the members of Lakewood DeMolay. A big "thank you" goes out to the Companions and DeMolays who helped make this event a success. During dinner and at the stated meeting following dinner we had a very thoughtful and honest discussion about the direction Cunningham Chapter is travelling.

While we may be discouraged at the setback our Chapter has recently suffered due to the suspension of our High Priest and King, we are determined to "right the ship" and get things moving in a positive direction at Cunningham Chapter. We agreed that our Chapter faces several challenges: 1) lack of leadership; 2) lack of communication; and 3) lack of interesting activities to give members a reason to come out and share some brotherhood with the Chapter.

As far as leadership goes, our Past High Priests, our DDGHPs, and the members of the 16th District Association will guide our Chapter through the remainder of this term. PHP Ed Hampton has agreed to preside in the Past Master degree at our inspection on April 23. Companion Bill Crawford has agreed to be installed as Captain of the Host and to progress through line to be High Priest. PHP Charlie Burkett has agreed to "pro tem" the King position for the remainder of the term. I have agreed to "pro tem" High Priest for the remainder of the term. We still need more leadership from our members, but this is a great step in the right direction. "Thank you" to these Companions for agreeing to pitch in and help out.

As far as communication goes, PHP Dave Foyer has agreed to coordinate mailing a monthly newsletter to our Cunningham Companions so that you know what activities are going on at Cunningham. "Thank you" to E. C. Dave for agreeing to spearhead this effort.

As far as activities go, we have several opportunities that we plan to take advantage of. At our meeting on January 23, in addition to representatives from the Grand Chapter, we had several visitors from Covenant-Thatcher Chapter in attendance. That Chapter now meets in North Olmsted on the 2nd & 4th Thursdays. Members of that Chapter have committed to attending all remaining meetings at Cunningham over the next term and to help us where needed. We plan to reciprocate and try to get groups of our members to visit Covenant-Thatcher Chapter to build some bridges and foster fraternal relations between these two Chapters.

We have money in our treasury. This is a luxury that many Chapters do not have, and we plan to open the vault and spend a little of that money (in a responsible fashion) to try to subsidize some activities and generate some enthusiasm about our Chapter. Some events that we may try to plan include a dinner with our wives at a local restaurant and bringing some

speakers in to our stated meetings to offer members more to look forward to at meetings other than the regular business of the Chapter.

Mark your calendars now for October 10, 2010 (or a date in that vicinity). That will mark the 100 year anniversary of Cunningham Chapter, AND WE FULL WELL INTEND TO STILL BE AROUND TO CELEBRATE IT! I would imagine that we will have the Grand Chapter officers in to re-consecrate our Chapter; we may have social activities planned with the wives around that time to commemorate the event; we may be able to find a historical speaker who can help us to understand what things were like 100 years ago. Who knows what will be planned? Come to Chapter and find out. Better yet, come to Chapter and help us plan activities that you would like to participate in.

Companions, we are committed to sticking around. Why not get something for your dues money and have some fun with us? Masonry doesn't have to be boring. It can be fun, and it should be fun. Let's work together to make it fun!

Allied Masonic Degrees

A body has been formed in England called the Grand Council of the Allied Masonic Degrees, in order to govern various Degrees or Orders having no central authority of their own. The principal degrees controlled by it are those of St. Lawrence the Martyr, Knight of Constantinople, Grand Tiler of King Solomon, Secret Monitor, Red Cross of Babylon, and Grand High Priest, besides a large number, perhaps about fifty, of *side degrees*, of which some are actively worked and some are not.

Holy Grail Commandery #70 K. T.

Stated Meeting Second Wednesday 7:30 p.m.

Commander's Message

Greetings Sir Knights:

Here we are, smack dab in the middle of Inspection season. Several have been completed; and there are several more to go, including ours—April 12. Hey! Wait a minute, Holy Grail is always inspected the middle of March, what gives? Someone decided that being as Holy Week started the day after we would have had our Inspection, we shouldn't have it and bumped us to the middle of April. Oh well, an extra 30 days study time won't hurt.

The other good thing about our Inspection is the Grand Commander, Right Eminent Burch E. Zehner, is planning on visiting Northern Ohio that day; and we have the honor of hosting him and his lady. If you have been keeping tabs, this is now the fourth consecutive year Holy Grail has had the Grand Commander in attendance for our Annual Inspection. I don't know what we are doing right, or wrong, to be afforded this privilege; but it is quite an honor, and we relish it.

The Sir Knights who are involved in our Annual Inspection need to take advantage of visiting the other Commanderies in the area for their Inspections. This is an ideal opportunity to follow along and reassure your part of the ritual. Plus you get to see all the corners and steps required for the floor work and the full form opening.

For the past couple of years Inspections have been The Order of the Temple, followed by Full Form Opening, followed by Dinner. If you don't stay for dinner generally you are home by 6:00p, or thereabout.

The third month of this newsletter puts us in the month of May, and with May comes the Annual Election of Officers. Last year we had a good election. SK Crawford had a crushing blow with the return of his cancer wars. SK Bob Trigg, PC, stepped in as Generalissimo to help us out with that position. We have to be courteous of our past commanders who step in and help out; are they interested in continuing or would they like to be replaced. SK Charles Burkett, PC, is in the same position at our Senior Warden's station. Sir Knights, ask yourself if you can give 10 meetings and help out; ask where you can be the most assistance to Holy Grail.

Be at our May Meeting.

Cleveland Assembly #15 S. O. O. B. *Stated Meeting Second Wednesday 7:30 p.m.*

President's Message

Greetings! Our Installation of Officers was held on January 12. Thank you once again to all the Sir Knights who posted colors for our Installation. We are continuing to support the Knights Templar Eye Foundation. We will also continue putting together the preemie care packages. We will be sending cards to our troops though OPERATION THANK YOU.

We are the Social Order of the Beauceant, the wives, widows, mothers, sisters, daughters and granddaughters of Knights Templar. Our Assembly is one of the oldest in the United States. We have a proud history of service and support to not only our Sir Knights but the community as well. We meet the second Wednesday of each month (September thru June) at 7:30p. There is a pot luck dinner at 6:30p prior to each meeting.

To be eligible for membership a petitioner must be at least 18 years of age at the time of petitioning and either a wife, widow, mother, daughter, sister or granddaughter of a Knights Templar who is in good standing (or at the time of his death). Those interested in becoming members of Cleveland Assembly #15, please contact me or any member.

Dames of the Order of Saint John

Religious ladies who, from its first institution, had been admitted into the Fraternity of Knights Hospitalers of Saint John of Jerusalem. The rules for their reception were similar to those for the Knights, and the proofs of noble descent which were required of them were sometimes more rigid. They had many conventual establishments or asylums in France, Italy, and Spain.

Almoner

An officer elected or appointed in the Continental Lodges of Europe to take charge of the contents of the alms-box, to carry into effect the charitable resolutions of the Lodge, and to visit sick and needy brethren. A physician is usually selected in preference to any other member for this office. An Almony may also be appointed among the officers of an English Lodge. In the United States the officer does not exist, his duties being performed by a Committee of Charity. However, it is an important office in all bodies of the Scottish Rite.

—from Mackey's *Revised Encyclopedia of Freemasonry*, 1946.

Alms-Box

A box which, toward the close of the Lodge, is handed around by an appropriate officer for the reception of such donations for general objects of charity as the brethren may feel disposed to bestow. This laudable custom is very generally practiced in the Lodges of England, Scotland, and Ireland, and universally in those of the Continent. The newly initiated candidate is expected to contribute . . .

This custom has not been adopted in the Lodges of America, except in those of French origin and those of the Ancient and Accepted Scottish Rite.

—from Mackey's *Revised Encyclopedia of Freemasonry*, 1946.
