Our Historic Organ on the International Stage

OHS volunteers completely inspected and documented our unique organ, made necessary repairs and completely tuned the instrument.

William Aylesworth, a Masonic organist from Chicago, presented a program designed to demonstrate the variety of musical scenes our organ was designed to create. The conclusion was reminiscent of the Vienna Philharmonic Orchestra's annual New Year Concert, broadcast around the world, with the playing of Johann Strauss, Sr.'s festive *Radetzky March*, during which the audience participates with the traditional clap-along. Our Lodge Room is similar to a European concert hall in that the balcony recedes from the main floor.

To maintain our unique organ and our historic home that houses it, we depend on the continuing loyalty of our members and donors. Gifts to The Lakewood Masonic Foundation for these purposes, as well as for our charitable and educational work, are deductible for federal tax purposes to the extent permitted by law (use the form on page 11).

On Monday, July 6, our historic Lakewood Masonic Temple opened its doors to an international audience of 400 vintage organ enthusiasts as the Organ Historical Society presented a recital on our original 1916 Votteler-Holtkamp-Sparling pipe organ.

Our historic instrument is one of a very few tubular-pneumatic organs in this area still in its original state. This design was used in pipe organs built in the late 1800s and early 1900s.

Our Lodge Room was made available for this recital by special dispensation from the Grand Lodge F&AM of Ohio. The OHS took advantage of our spacious facilities by using our Banquet Room to serve lunch to its traveling band of conventioners. In an organ convention, after all, attendees must travel to the organs rather moving organs to the convention.

As part of the preparations for its recital and convention,

Double Your Money

The advent of our Lakewood Masonic Foundation has brought new opportunities to support the Lakewood Masonic Family in a potentially tax-advantaged way. It has also added an opportunity to double the value of your contribution if you work for a company with a Matching Gift Program.

May employers with Matching Gift Programs will match employees' charitable donations, subject to certain limits, to a wide range of educational, charitable and other tax-exempt organizations including those formed for historical preservation. As a 501 (c)(3) organization, The Lakewood Masonic Foundation may fulfill the eligibility requirements of your employer's program.

If your employer has a Matching Gift Program, please obtain the proper form from your employer and include it with your gift. If forms are not immediately available, you can still send your gift to the Foundation and submit the matching gift form at a later date. The Foundation will complete its portion of the form and submit it to your employer's program. Both you and your employer will be recognized for all matching gifts.

Gifts to the Foundation are deductible for federal tax purposes to the extent permitted by law. Gifts to the LMT Endowment and Operation Funds are not deductible for federal tax purposes and are less likely to be eligible under Matching Gift Program rules.

You may make your contribution by using the form printed on page 11.

Our newsletter, *The Foundation Light*, is published quarterly, based on a schedule geared to the annual Masonic calendars of our Lakewood Masonic Family organizations. Between issues, each of our Bodies invariably updates its meeting agendas and plans to reflect its current business and the influx of new petitioners. You can stay current with these changes by visiting our Foundation's web site at www.lakewoodmasonicfoundation.org. Each Body in our Lakewood Masonic Family has a set of pages within our site, including a calendar page which is updated as agendas change. By bookmarking your favorite pages you can keep up to date with the groups to which you belong. You can also stay current with our Temple's master calendar to see what else is happening in our historic home.

We are continually expanding and updating our site by adding news items about our Temple as well as historical information and photographs. The historical, charter members and past presiding officer pages attract the interest of those researching their own family histories or the lives of important community leaders.

Our web site also contains information on renting our Ballroom and Banquet Room facilities for family or community events.

Master's Message

One life: a little gleam of time between two eternities, no second chance for us forevermore. Ponder this thought for a moment . . . How much time have we already wasted in our one life, how much time in this life is left for us to do something good for our brethren, for the world? James Bond in one of Ian Fleming's novels "only lived twice," one life to live and one life for your dreams. At our Lodge I have lived twice; no, three times as Worshipful Master. My first time in 1980-1981 was a challenge; my second two were dreams fulfilled, and I even raised my son Jim. In my dreams I wish I could continue on forever, but I know that dictators, no matter how benevolent, never work. They steal our freedoms to choose, to change and to grow. I have many Freemasons behind me in line and more not yet discovered who will some day aspire to be Worshipful Master of Clifton-Gaston Allen Lodge No. 664. They are the future of Freemasonry as are each of you. But we only have one life, no second chance, so we must seize the moment in time, take the challenge and be the best Masons, the best officers, the best citizens of the world we can be. Governments change, dictators come and go and Worshipful Masters become Past Masters; but Free Masonry lives on and withstands the great test of time. It is almost time for me to step down and rejoin my brethren on the sidelines, but I will never forget that one little gleam in time between two eternities when I could serve my brethren of Clifton-Gaston Allen Lodge No. 664. Thank you.

Please note in our trestleboard below that we have scheduled a third meeting in October (as we did in May and June), on a Wednesday evening, to stay current in our degree work. What a nice problem to have! Come to Lodge and meet our newest Masons.

We are also pleased to note that our Treasurer and Past Master R. W. Bro. Bob Niebaum has been elected by DeMolay International to its highest accolade, the Honorary Legion of Honor. His investiture, along with others honored in DeMolay's Second District, will take place on Saturday, September 19, at 8:00p in the Masonic Temple at 3615 Euclid Avenue. Guests are invited to attend. Last year R. W. Bro. Niebaum was inducted into the Royal Order of Scotland, an invitation-only organization recognizing Masons for their service to the Craft and/or the community.

Master's Message

Brethren, we are dark right now, but there is still a lot going on within the Lodge, which I will soon explain. But first, let's step back into June and look at what we accomplished!

We conducted two Master Mason Degrees in June; the first on June 8 for Clever Martinez of Clifton-Gaston Allen Lodge; the second on June 22 for Jason Briggs from Lakewood Lodge. Hats off to Clifton-Gaston Allen Lodge for helping out with both degrees; well done to the members of Lakewood Lodge that played key roles and made up the Fellow Craft Team. Both degrees were very well done!

We brought three new members into the Lodge on Saturday, June 13 at the Grand Master's Class that was held at the Masonic Auditorium in Downtown Cleveland. William Primrose IV and David Mihocik are grandsons of William Primrose Jr., a member of Lakewood Lodge and a 60-Year Mason! Albert Yeckel also came into Masonry as a Legacy; his father Melvin was a member of Emmanuel Lodge.

On Monday, June 15 we held a Special Meeting to convey the following awards: 25 years - Gary R. Rice, Rickey D. Swift, Steven A. Toth; 50 years - E. L. Ledford, George A. Mason; 60 years - Bill Williams, David R. Haag; 70 years - Jack E. Hollister. Congratulations to all!

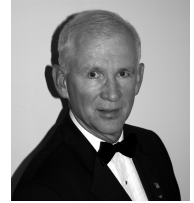

Now, moving forward . . . We will open Lodge at 7:30p on September 14 with significant items to accomplish. First, we will report to the members on the financial status of the Lodge. Secondly, we will bring before the Lodge a motion to help fund the replacement of windows in the Temple building. Finally, we will conduct an Entered Apprentice Degree for a new candidate who has petitioned for membership in the Lodge. I know this sounds like a lot to do, but this is a must-attend meeting!

On Monday, September 21, we will hold a Special Meeting to honor the Past Masters of Lakewood Lodge. This is a great opportunity to thank the brethren who have been the very foundation of our Lodge!

Soon we will be into November; our Annual Meeting along with Elections, Rededication Night and then the Installation of a new set of officers. The year is going fast... it's been an honor and privilege to serve you as Worshipful Master!

Finally, some really good news - Sgt. Joseph M. Gallo, who was seriously injured in an explosive incident while on duty in Okinawa, is recovering from his injuries and is undergoing rehabilitation at the San Diego Naval Medical Center. He asked me to pass thanks to everyone for all the cards and letters he received!

Marshal

An officer common to several Masonic Bodies, whose duty is to regulate processions and other public solemnities. In Grand Bodies he is called a Grand Marshal. In the American Royal Arch System, the Captain of the Host acts on public occasions as the Marshal. The Marshal's ensign of office is a baton or short rod. The office of Marshal in State affairs is very ancient. It was found in the court of the Byzantine emperors, and was introduced into England from France at the period of the conquest. His badge of office was at first a rod or verge, which was afterward changed to the baton, for, as an old writer has observed, Thinne, "the verge or rod was the ensign of him who had authority to reform evil in warre and in peace, and to see quiet and order observed among the people."

Stated Meeting Fourth Wednesday 7:30 p.m.

High Priest's Message

Companions:

To know more about our fraternity we must understand the lessons that were taught in our degrees, as well as the order in which they were presented. The lessons of the Mark Master degree help explain the Master Mason degree but would not be as meaningful if given prior to the Master Mason degree.

If we put the degrees, all of which are centered on the Temple of Solomon, in chronological order, then we would start with the Entered Apprentice degree followed by the Fellow Craft degree. The Mark Master degree would be next; then the Master Mason degree. The Most Excellent Master, Past Master and Royal Arch Mason degrees would then follow.

These degrees help us understand more about the symbolic Lodge and our duties to our fellow man.

The Mark Master teaches the nobility of labor. The Past Master degree teaches moderation and decorum. In the Most Excellent Master the Mason sees, for the first time, the completed temple. The lessons of the Royal Arch degree are the essence of Masonic truth.

Cunningham's Inspection will be in the Past Master degree, a degree similar to what a Worshipful Master-elect would get before he can be installed into his new station. In the Past Master degree the Temple of Solomon has been completed, and the Candidate learns why the Master is covered, why he has a gavel, and how to rule with moderation and decorum.

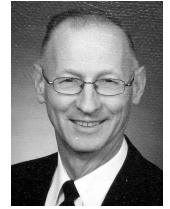

Due to prior commitments, I will miss some of our Chapter Convocations. Our degree work will proceed as per outlined in the Lakewood Temple newsletter and web site, so there should be no need to worry that we will not proceed with doing all of the degrees.

There are always district meetings to attend. This is where we make our connections and obtain assistance when needed. In February, do not forget the 16th District Royal Arch Ball. This is usually the last Saturday in the month and is a District function; more on this in a later newsletter.

Middle Ages

These are supposed by the best historians to extend from the time Theodoric liberated Rome, 493, to the end of the fifteenth century, the important events being the fall of Constantinople in 1453, the discovery of America in 1492, and the doubling of the Cape of Good Hope in 1497. This period of ten centuries is one of great importance to the Masonic student, because it embraces within its scope events intimately connected with the history of the Order, such as the diffusion throughout Europe of the Roman Colleges of Artificers, the establishment of the architectural school of Como, the rise of the Guilds, the organization of the Building Corporations of Germany, and the Company of Freemasons of England, as well as many customs and usages which have descended with more or less modification to the modern Institution.

Stated Meeting First Wednesday 7:30 p.m.

Ohio

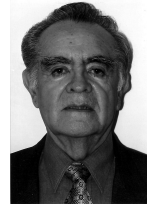

With the close of the War of the Revolution came the introduction of Freemasonry to Ohio. Several members, including Brother Jonathan Heart, the Master of American Union Lodge, moved to Marietta. Their Charter, granted by the Saint John's Grand Lodge of Massachusetts, February 15, 1776, was claimed by Brother Heart to be that of a Lodge at large, owing allegiance to no Grand Lodge. A few years later the Charter was destroyed by fire, but the Grand Lodge of Pennsylvania refused to issue a new one to the Lodge except as to one of its constituents. The Grand Lodge of Massachusetts granted leave for work to be resumed under a copy of the original Charter until such time as a Grand Lodge should be formed. On January 4, 1808, delegates to a Convention to organize a Grand Lodge met, representing five Lodges, namely, American Union, No. 1; Cincinnati, No. 13; Scioto, No. 2; Erie, No. 47; Amity, No. 105. Rules were adopted and the first Monday in January, 1809, was appointed for a Grand Communication at Chillicothe.

At this Communication the delegates from American Union Lodge were absent, so the Grand Lodge was established by four Lodges under the Constitution of the Grand Lodge of Kentucky. Grand Officers were elected and installed and Brother Samuel Huntington, then Governor of Ohio, was elected Grand Master. General Rufus Putnam was the first choice but his age and infirmities compelled him to decline the office of Grand Master, his letter, characteristically Masonic, closing with the words: "May the Great Architect, under whose all-seeing eye all Masons profess to labor, have you in His holy keeping, that when our labors here are finished, we may, through the merits of Him that was dead, but now is alive, and lives forevermore, be admitted into that temple not made with hands, eternal in the heavens; Amen. So prays your Friend and Brother."

A Chapter was opened at Marietta on June 16, 1792, under authority of the Warrant of American Union Lodge, by Robert Oliver, Rufus Putnam and Griffin Green. At a further meeting held on December 5, 1792, the Brethren organized and elected these three as the principal officers. R. J. Meigs was elected Secretary and Joseph Wood, Treasurer. On October 21, 1816, on the invitation of Cincinnati Chapter a meeting was held at Worthington for the purpose of forming a Grand Chapter which was duly opened on the 24th. Three Chapters were represented, American Union, No. 1; Cincinnati, No. 2; Horeb, No. 3. Samuel Hoit was elected Grand High Priest and Benjamin Gardiner Grand Secretary of the new Body which was received into the Union of the State Grand Chapters. The earliest record of the organization of a Council of High Priests dates from 1828 and appears in the Proceedings of the Grand Council of Ohio. Companion John Snow was elected President of this Council.

A Charter for a Council at Chillicothe was sent in 1817 by Companion Jeremy L. Cross after he had visited Ohio, but there is no record of the

Holy Grail Commandery #70 K. T.

Stated Meeting Second Wednesday 7:30 p.m.

Holy Grail—The Beginning

On December 31, 1916 (New Year's Eve yet) thirty-one Sir Knights met to discuss forming a Commandery in Lakewood. Failing to obtain the consent of other Commanderies the matter was dropped, but not forgotten.

In May 1919 under the guidance of Past Eminent Sir James J. Hinslea the effort was renewed with new vigor. Meetings were held during the summer months, and a petition signed by fifty-three Sir Knights was submitted to the Grand Commandery. On October 9, 1919, a Dispensation for the formation of a Commandery in Lakewood was granted.

A preliminary meeting of the signatories of the petition was held of October 29, 1919, and a full slate of officers was appointed with James J. Hinslea Eminent Commander. A number of committees were appointed including: paraphernalia, finance, uniform, and welfare.

The first stated meeting took place on November 19, 1919. As an indication of the local interest in Commandery, the petitions of 95 Companions were received and on motion referred to several investigating committees. The paraphernalia committee reported that the cost to acquire the necessities would be \$3,000 with \$1,000 of that for the stage. The uniform committee recommended that the uniform include a tailor made coat and a factory made cape.

The second stated meeting on December 3 was a lengthy one as the investigating committees reported favorably upon 86 Companions and the candidates were separately balloted.

Sir

This is the distinctive title given to the possessors of the Degrees of Masonic Knighthood, and is borrowed from the heraldic usage. The word *knight* is sometimes interposed between the title and the personal name, as, for example, *Sir Knight John Smith*. English knights are in the habit of using the word *frater*, or *brother*, a usage which to some extent is being adopted in the United States of America. English Knights Templar have been led to the abandonment of the title *Sir* because legal enactments made the use of titles not granted by the Crown unlawful. The addition of *Sir* to the names of all Knights is accounted, says Ashmole, "parcel of their style." The use of it is as old, certainly, as the time of Edward I, and it is supposed to be a contraction of the old French *Sire*, meaning *Seigneur*, or *Lord*.

Secretary

The recording and corresponding officer of a Lodge. It is his duty to keep a just and true record of all things proper to be written, to receive all moneys that are due the Lodge, and to pay them over to the Treasurer. The jewel of his office is a pen, and his position in Lodges of the United States is on the left of the Worship Master in front, but in English Lodges he is usually found with the Treasurer at the right, in the North.

organization of that Council. A Charter, issued by the Grand Council of New York, this time for a Council at Cleveland, was also barren of result. Companion John Barker, however, organized several Councils in Ohio during 1827 and 1828. Five of these Councils met on January 6, 1830, and formed a Grand Council for the State of Ohio.

The first Commandery in the State was also the first to be established by Knights Templar west of the Allegheny Mountains. Sir Thomas Smith Webb, Deputy Grand Commander of the Grand Encampment of the United States, on March 14, 1819, granted a Dispensation to Mount Vernon Commandery, No. 1, at Worthington. A Charter was issued September 16, 1819, and the Commandery was duly constituted September 20. Five Commanderies, namely, Mount Vernon, No. 1; Lancaster, No. 2; Cincinnati, No. 3; Massillon, No. 4, and Clinton, No. 5, met and organized the Grand Commandery of Ohio on October 14, 1843.

On April 27, 1853, the Gibulum Lodge of Perfection and the Dalcho Council of Princes of Jerusalem at Cincinnati were chartered. The Cincinnati Chapter of Rose Croix was chartered December 27, 1853, and the Ohio Consistory on May 14, 1854. These are constituent Bodies of the Supreme Council, Northern Masonic Jurisdiction, Ancient and Accepted Scottish Rite.
